Dear Chair Patterson and Members of the Committee,

My name is Emma Reim, and I am a family nurse practitioner in Portland. As a nurse and a parent, I am writing in support of Senate Bill 1598. This fall, I witnessed the confusion and frustration patients experienced when unnecessary barriers prevented vaccine administration. Vaccines are a safe, evidence-based tool that protects the health of our communities. I respectfully urge you to support Senate Bill 1598.

Sincerely,
Emma Reim, DNP, FNP
