

Submitter:

Elaine Lavington

On Behalf Of:

Committee:

Senate Committee On Health Care

Measure, Appointment or Topic:

SB1598

During Covid, I rejected getting the Covid vaccine because I was suspicious of why this vaccine was being forced on people. Many people lost their jobs because of not getting the vaccine. We have bodily autonomy and do not subject ourselves to being told what we have to take or inject into our bodies. My body, my choice right? Or does that only apply to ripping an unborn baby from its mother's womb? Vote no on this bill.
