

Submitter: April Paola  
On Behalf Of:  
Committee: House Committee On Health Care  
Measure, Appointment or Topic: HB4074

Our patients are already not receiving the care they deserve with inadequate staffing. Passing this bill will put patients at safety risk by allowing nurses to perform at a 5:1 ratio with no consequences to hospitals for unsafe staffing. We are in desperate need of HELP, and this bill will only put us further away from what our community needs
