Topic: SB1599

I oppose SB1599. We gathered over 250,000 signatures to be able to put this on the ballot in November... The people have spoken so don't try to delay this. Don't get your role mixed up, we the people are the ones who decide on what is and what will be good for the people of Oregon. So stop the nonsense and put this on the November ballot like it should be and let the people decide.
