We are absolutely AGAINST using tax dollars from people all over Oregon, to help declining/almost empty Portland, renovate an entertainment center, at an estimated cost of \$650 Million dollars. Kotek whines that we are short \$900 million to operate the state, all because she will not stop DEI/ Sanctuary status ideology, which 98% of Oregonians do NOT believe in.

So why not use that \$650 Million to cut her deficit! You don't order a mink coat, if you can't afford a cotton jacket! You need mental help!

Learn how to budget, just like we have now, much more than in the past, because of the excessive taxes she is forcing on Oregonians
