

Submitter: Gary Kline

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB1522

I strongly oppose SB1522.

For many reasons but primarily because I think we have a responsibility to keep green spaces available for wild life and enjoyment. I see plenty of development potential inside existing UGB.

And we should also have the right to limit growth as a community to preserve our safety and healthy environments.
