

Submitter: Joshua Holt

On Behalf Of:

Committee: House Committee On Health Care

Measure, Appointment or Topic: HB4074

I am opposed to this legislation. The hospitals have had years to come into compliance with the staffing law and have failed to meaningfully engage or comply. I believe that they always expected to continue failing to staff the way the people at the bedside know they need to staff so that they could claim that it is too much of a burden and could move this bill. They were involved in the creation of the last two laws which were consensus recommendations. Do not give them a pass.
