

Submitter: Alicia Holihan

On Behalf Of:

Committee: House Committee On Health Care

Measure, Appointment or Topic: HB4074

Patients deserve better care. They deserve our attention and full medical treatment. We had record breaking numbers in the ER in all of PeaceHealth hospitals. We are already short staffed. Acuity is higher, needs are more.

I could go on however I think you get the picture.

It's our family, friends and community that's affected. It needs to be about the patient not the money.
