I fully support revitalizing the Moda Center and keeping the Portland Trail Blazers in Portland. The Blazers are a cornerstone of Portland's economic engine and they provide a huge multiplier effect for Portland and Multnomah County businesses. Without this core piece, fewer businesses will exist which will decrease the city's economic engine. Let's rebuild the Moda Center, keep the Trail Blazers, and revitalize our beautiful city like it was pre-pandemic. Lucas, Walton, Clyde, Terry, Brandon, Lamarcus, Damion & all the former Trail Blazers built something special. Let's keep it, nurture it, and watch the City of Portland flourish into the future!
