I oppose the use of public funds to fix and/or maintain the MODA Center. This is not a state need and should not be presented as a state need. Declaring it an emergency? Really??? With zero guarantee that the Blazers will remain in Portland? Oregon has much bigger needs than keeping a half-witted basketball team in town. If Portland and/or Vancouver wants to ask their own voters to fund this, then fine. But it should NEVER be put on the backs of the rest of us to fund a facility we might visit once a year or less.
