SB1501

I support keeping the Trail Blazers in Portland and renovating the Moda Center. However, I am asking that SB 1501 be amended to include a Public Investment Return Agreement before any public money flows.

Here's the thing: I could copy and paste the rest of this, but we all know THIS IS TITANICALLY STUPID UNLESS WE GET IN WRITING IN LAW THAT THE BLAZERS CANNOT MOVE WITHOUT PENALTY. What is the purpose of spending hundreds of millions of dollars IF THEY CAN JUST UP AND LEAVE!??!?
