

Submitter: David Wall  
On Behalf Of: Mr Oregon SUPPORTS HB 4014  
Committee: House Committee On Revenue  
Measure, Appointment or Topic: HB4014

I SUPPORT [HB 4014].

Review the waste of Oregonian tax dollars in [SB 5702 (2026)].

\*[SB 5702 (2026)-(\$645,000,000)] in Housing Projects to support the Welfare State is an abominable waste of taxpayer dollars and an illustration of Textbook Communism.

[SB 5701 (2026)]-Review all the Beggars with their hands out almost demanding taxpayer FUNDS.

The Deep-water Port facilities at Coos Bay are a good investment (if done right).

\*With reference to [SB 5701 (2026)]-DO NOT give McMinnville a damn dime. Those folks put themselves in the financial trouble they are in-'No' taxpayer dollars for them.

David S. Wall  
Mr. Oregon Concurs.
