On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB1552

Dear Senate Committee on Housing and Development,

I support this bill. There needs to be a real way to protect property owners against title theft without having to enroll in a costly program. With all the advances in AI, many could have their property taken without any indication or notification at all.

Protect property owners in Oregon.

Please vote YES on SB 1552!
