

Submitter: Beverly Ferguson

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB4117

With the aggressive and often indiscriminate actions of federal immigration agents, it is needed for the State of Oregon to ensure that those harmed, detained, or affected have their due process ensured. As a resident and taxpayer, I support funding to protect our neighbors' rights and make sure they have legal representation and protection as they go through the legal system.
