Measure, Appointment or Topic: HB4117

Dear Members of the House Committee on Judiciary,

Thank you for the opportunity to provide testimony in support of House Bill, HB 4117. I am appalled by the cruel deportation actions of ICE and the lack of process the federal government is affording immigrants. Immigrants most often can't afford representation. With the funding that HB 4117 provides, it will help ensure that immigrants in our sanctuary state will get due process and will help keep vulnerable children with their families and with access to critical healthcare.

Please vote in favor of HB 4117.

Sincerely,  
Merri Steele
