Measure, Appointment or Topic: HB4117

Oregon Immigrants are being targeted by unconstitutional ICE sweeps causing fear in our neighborhoods for immigrant families as well as for their friends and neighbors, especially the children who wonder why their friends are no longer coming to school or what happened to their friends' mothers or fathers. Concerned citizens are stepping up with food, transportation, and financial help, but the need is growing as ICE and CBP continue their relentless raids. HB 4117 will provide aid to help immigrant residents keep their families together by providing the due process they are entitled to.
