

Submitter: JERRY Ritter

On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: SB1507

As we saw so loudly and clearly with HB3991 and SB 1599, public testimony means absolutely nothing to the Democrat majority - but I'll give it anyway: SB 1507-A is just another Democrat money grab. And you wonder why Oregon ranks so low on the "Business Friendly" scale!
