Measure, Appointment or Topic: SB1517

I OPPOSE [SB 1517].

[HB 1517] protects ski resorts to a degree but other outdoor/indoor sports operators are 'hung out to dry.'

The outdoor/indoor sports operators should form their own specific 'Limited Liability Company (LLC)' have adequate insurance, can serve to shield their personal property from liability exposure.

There are many paralyzed people or people with severe head injuries, broken bones, and etcetera from outdoor/indoor sports activities.
