On Behalf Of: Mr Oregon OPPOSES HB 4012 A
Committee: Senate Committee On Labor and Business
Measure, Appointment or Topic: HB4012

I OPPOSE [HB 4012 A].

Is a good idea but there are several problems.

[HB 4012 A] expands government to carry out its' mandate.

[HB 4012 A] will require more employees and respective overheads.

There is 'No' budget allocation.

**On the positive side, [HB 4012 A] provides Oregon a unique opportunity to work 'hand in hand' with Border Patrol and Immigration, Customs Enforcement Federal Officers to remove Illegal Aliens from Construction work places.
