On Behalf Of: Mr Oregon OPPOSES HB 4013
Committee: Senate Committee On Labor and Business
Measure, Appointment or Topic: HB4013

I OPPOSE [HB 4013].

[HB 4013] is inflationary for it imparts cost(s) via increased regulations and the size of government.

Oregon is an agricultural state. Children often assist their family on the family farm for a variety of tasks for hundreds of years. [HB 4013] would curb the flexibility of work required on the family farm.

Similar arguments will apply to the Fishing and Forest Products industries.

I do not support 'slave labor camps' chuck full of kids.

With Immigration Enforcement underway, employers will be hard-pressed to fill vacancies to wit I fully support vigilance to prevent the exploitation of children.

How will [HB 4013] affect 'Outdoor school?'
