On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: SB1507

I am a member of the Interfaith Alliance on Poverty from Congregation Havurah Shalom. I am writing to urge your support of SB1507 - the “decoupling” of the State of Oregon tax structure from the Federal tax code.

This change is critical to allow Oregon the flexibility to address shortfalls resulting from federal legislation. H.R.-1. The shortfalls brought on by the federal legislation will be devastating for so many Oregonians. That devastation will be compounded if it is not addressed by passing SB 1507. I urge the legislature to pass SB 1507 to help alleviate some of the pain that so many Oregonians will experience.
