Committee: House Committee On Revenue
Measure, Appointment or Topic: SB1507
Co-Chairs and members of the committee,

I am the coordinator of the Early Childhood Education Program and faculty at Lane Community College in Eugene. College students, children, and families are in need of high quality childcare and this loop hole is a tremendous obstacle in supporting the optimal development of our young children. We know the economics required in intervention when we also know prevention is more cost effective and equitable. Please pass this bill!

As our voice in Salem, we are counting on you to reject some of the most egregious and costly tax breaks for corporations and the wealthy and prevent cuts to public safety, schools, childcare, and other critical services. That begins with voting yes on SB 1507.

SB 1507 helps recoup \$311.6 million in funding for programs Oregonians care about by “disconnecting” Oregon from automatically mirroring some of the most costly tax loopholes in H.R. 1, the disastrous budget bill signed by President Trump.

To be clear, there is more work to do beyond SB 1507. There is still a larger budget gap to close, and balancing the budget by slashing programs Oregonians rely on is the wrong approach. But one thing is certain: passing SB 1507 is a critical first step in addressing the budget crisis created by H.R. 1.

The decision before you and your colleagues this session should be clear: Prioritize protecting Oregon families, not further enriching the ultra-wealthy.

Please vote YES on SB 1507.

Thank you.
