

Submitter: Jennifer Tappan
On Behalf Of:
Committee: House Committee On Revenue
Measure, Appointment or Topic: SB1507
Co-Chairs and members of the committee,

Please weigh the burden of taxation on those with wealth against the burden that cutting services places on the people of Oregon and especially young Oregonians and future Oregonians who deserve to have educational opportunities that are not ranked among the lowest in the nation, who deserve to have access to what is needed to live healthy lives and to thrive in ways that allow them to further contribute to the future of our state and nation.

As our voice in Salem, we are counting on you to reject some of the most egregious and costly tax breaks for corporations and the wealthy and prevent cuts to public safety, schools, childcare, and other critical services. That begins with voting yes on SB 1507.

SB 1507 helps recoup \$311.6 million in funding for programs Oregonians care about by “disconnecting” Oregon from automatically mirroring some of the most costly tax loopholes in H.R. 1, the disastrous budget bill signed by President Trump.

To be clear, there is more work to do beyond SB 1507. There is still a larger budget gap to close, and balancing the budget by slashing programs Oregonians rely on is the wrong approach. But one thing is certain: passing SB 1507 is a critical first step in addressing the budget crisis created by H.R. 1.

The decision before you and your colleagues this session should be clear: Prioritize protecting Oregon families, not further enriching the ultra-wealthy.

Please vote YES on SB 1507.

Thank you.
