

Submitter: Lauren Armony

On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: SB1507

Dear Committee on Revenue,

I urge you to strongly support SB 1507 to ensure that we do not further disinvest in Oregon's future. Taxes have hit historic lows for corporations and wealthy Oregonians. We are already in an education, transportation, and housing crisis - we cannot afford to give the affluent another tax break.

Sincerely,
Lauren Armony
Hood River, Oregon
