Measure, Appointment or Topic: SB1507

It's not fair for anyone's housing should be ripped out from under them!! Everyone should be allowed to have a warm, safe place to cook, shower, and sleep in!! Trump's outrageous inhuman wants, and acts are that of reverting history *(Hiltler)* to now *(a horrible person *(Trump)* that does care about the poor peoples of USA.

PLEASE OPPOSES B 1507

Thank you
