On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: SB1507

Dear Sir and Madam: I am in support of this bill. I am asking that compassion be shown to our most vulnerable. As a volunteer at our local shelter, I have witnessed homelessness amongst our senior citizens and mentally challenged. The homelessness crisis is increasing amongst them. And as a country and community living in the richest country; we should help and support our citizens. Thank you for your time and leadership.
