

Submitter: Bethany Schaffner

On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: SB1507

We need you to support SB1507 in order to prevent devastating cuts to childcare, K-12, higher education and more. You have a choice to support working families OR rubber-stamp damaging tax giveaways that benefit the ultra wealthy and large corporations. The choice is clear- Vote YES on SB 1507.

Thank you
