Susan DePinto

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

SB1507

As a classified employee of the Hillsboro School District, I urge you to pass SB 1507 to provide essential funding for our schools. Now, more than ever, our students rely on classified staff for support in the classroom, 1-1 instruction, Special needs support, and many other essential duties. We can't provide the best education with fewer and fewer employees. We must find adequate funding for the future of education and our community.
