Re: Support for SB 1507

Chair Nathanson, Vice-Chairs Walters and Reschke, and members of the committee...

Essential state and federal services that millions of Oregonians rely on are at risk of severe funding cuts due to H.R. 1 and the Trump Administration's agenda. While Oregon faces the loss of billions in federal funds, the wealthiest earners and out-of-state corporations stand to gain massive tax breaks. This is unacceptable for our state and its people.

If we do not decouple from these federal tax codes, Oregon will be forced to make devastating cuts to essential services that millions rely on. Without action, the impacts will be severe: Employment-Related Day Care will run out of money by January 2027 unless the current legislature fills its \$88 million shortfall; food banks will be overwhelmed as federal SNAP funds are withdrawn, leaving critical gaps in food security; hundreds of thousands of Oregonians stand to lose health care coverage due to the largest funding cut in Medicaid/Oregon Health Plan history. These are just a few examples of what's at risk if we remain bound to a federal system that prioritizes tax breaks for the wealthy over the well-being of our communities.

I'm a big believer that children are the future and if they don't have the resources they need it will be really difficult to continue to thrive. We don't want people to just live, we want them to thrive. If we don't set children up on the best path possible with the resources that they need things aren't going to work very well for anyone.

Please support SB1507, our communities need to stay afloat.

Thank you,
Kiel Moses
