

Submitter: Jon Tardiff
On Behalf Of: Myself and my wife Evangeline
Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: SB1586

Please do NOT pass SB 1586.

Our precious farmland should be preserved, not "developed".

We don't need or want more data centers, or more industry at the expense of our beautiful farmland and excellent quality of life.

And please STOP bringing this issue up.

The residents of Washington County have been opposing development for decades. Stop trying to force it on us. It is disrespectful and shows a lack of regard for the will of the voters.

We will vote against any politician who keeps proposing destroying Washington County farmland.

Sincerely,

Jon & Evangeline Tardiff
