Dear Senate Committee on Finance and Revenue,
I oppose this bill and ask you to do the same. The taxpayers have spoken on this issue repeatedly to keep your hands off the kicker. We have also said to audit the state agencies and find the fraud and waste. Each one of you sits in your seat voted in by Oregonians. When re-election comes for you, make sure you are voting for what we sent you there to do, representing the people. We are now shouting to keep your hands off the kicker. Vote NO on SJR 201
