Measure, Appointment or Topic: SJR201

I strongly oppose SJR201. The kicker is the taxpayers money. The Oregon government needs to function with the money they already receive. Schools already receive Billions and are mismanaged all our schools rate at the bottom. The Oregon government needs to stop taxing the taxpayers on everything. No more taxes, rules , regulations overreach of the government. The forests are mismanaged. Let the timber and forest experts back into our renewable resources.
