

Submitter: Cheis Domjan-Yuhas

On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: SB1507

As a classified staff member working to support students gain an education that will enrich the future of Oregon, I see how budget shortfalls affect our community negatively on a daily basis. I urge you to pass SB1507 to ensure that our students do not face any disruptions to their learning and the long-term ramifications that would result from it. Funding for jobs is a critical part of this!
