As a classified employee working on the front lines in our schools, I urge you to PASS SB1507 to help protect education funding and the jobs that support students every day.

Reduction of staff in our school district last year have impacted our ability to serve students in significant ways. Continued strains on funding in educational settings has pushed our staff to unsustainable levels. Students and staff deserve better- stable, sustainable fund so they can thrive without worrying about where the basic resources to protect and educate them will come from.

Disconnect from the federal tax code NOW.
