

**Testimony in Support of SB 1507 A  
Oregon School Employees Association  
February 2026**

Co-Chairs and members of the committee,

As our voice in Salem, we are counting on you to reject some of the most egregious and costly tax breaks for corporations and the wealthy and prevent cuts to public safety, schools, childcare, and other critical services. That begins with voting yes on SB 1507.

SB 1507 helps recoup \$311.6 million in funding for programs Oregonians care about by “disconnecting” Oregon from automatically mirroring some of the most costly tax loopholes in H.R. 1.

To be clear, there is more work to do beyond SB 1507. There is still a larger budget gap to close, and balancing the budget by slashing programs Oregonians rely on is the wrong approach. But one thing is certain: passing SB 1507 is a critical first step in addressing the budget crisis created by H.R. 1.

**With nearby cost of living increases, our small community is being flooded with young families looking for affordable housing. This has increased enrollment during a time when we are facing huge staffing cuts. Class sizes will reach unmanageable levels while staff are cut to clear the budget. This will leave our students with overcrowded buildings and classrooms --not to mention overworked staff with insufficient resources. Please help us maintain reasonable school conditions in ALL of our communities.**

The decision before you and your colleagues this session should be clear: Prioritize protecting Oregon families, not further enriching the ultra-wealthy.

Please vote YES on SB 1507.

Thank you,

Nathan Goodson

Philomath School District
