

Testimony in Support of SB 1507 A
Oregon School Employees Association
February 2026

Co-Chairs and members of the committee,

As our voice in Salem, we are counting on you to reject some of the most egregious and costly tax breaks for corporations and the wealthy and prevent cuts to public safety, schools, childcare, and other critical services. That begins with voting yes on SB 1507.

SB 1507 helps recoup \$311.6 million in funding for programs Oregonians care about by “disconnecting” Oregon from automatically mirroring some of the most costly tax loopholes in H.R. 1.

To be clear, there is more work to do beyond SB 1507. There is still a larger budget gap to close, and balancing the budget by slashing programs Oregonians rely on is the wrong approach. But one thing is certain: passing SB 1507 is a critical first step in addressing the budget crisis created by H.R. 1.

Oregonians should be in charge of our own future, especially now that we've seen how volatile and fiscally irresponsible the federal government can be. We must safeguard our prosperity, our children, and our values - all of which we accomplish when we safeguard our tax code.

The decision before you and your colleagues this session should be clear: Prioritize protecting Oregon families, not further enriching the ultra-wealthy.

Please vote YES on SB 1507.

Thank you,

Cara Douthitt

Eugene School District
