

Testimony in Support of SB 1507 A
Oregon School Employees Association
February 2026

Co-Chairs and members of the committee,

As our voice in Salem, we are counting on you to reject some of the most egregious and costly tax breaks for corporations and the wealthy and prevent cuts to public safety, schools, childcare, and other critical services. That begins with voting yes on SB 1507.

SB 1507 helps recoup \$311.6 million in funding for programs Oregonians care about by “disconnecting” Oregon from automatically mirroring some of the most costly tax loopholes in H.R. 1.

To be clear, there is more work to do beyond SB 1507. There is still a larger budget gap to close, and balancing the budget by slashing programs Oregonians rely on is the wrong approach. But one thing is certain: passing SB 1507 is a critical first step in addressing the budget crisis created by H.R. 1.

I transport some children to school that are in need of more help than our current stressed budgets allow. It makes NO SENSE to be giving the wealthiest a tax break that they don't need while cutting services to our most vulnerable children.

The decision before you and your colleagues this session should be clear: Prioritize protecting Oregon families, not further enriching the ultra-wealthy.

Please vote YES on SB 1507.

Thank you,

Scott MacWilliams

Oregon City School District
