Topic: HB4091

Honorable Chair Thuy Tran and Members of the House Committee on Emergency
Management and Veterans,

Thank you for the opportunity to testify in support of HB 4091 that provides guardrails
for the activation of the Oregon National Guard.

We must do whatever we can to preserve state sovereignty and prevent the vengeful
deployment of the National Guard by a reckless president.

I support the Oregon Legislature's effort to clarify the relationship between federal
and state roles as described in this bill.
