Measure, Appointment or Topic: SB1590

I support this measure because I don't want to see our public lands in Oregon get sold away to the highest bidders. I love that Oregon has a great deal of public land for hunting and fishing and I want it to stay that way. I've lived my entire life in Oregon and don't want my children to grow up in a place where they can't go explore the wilderness. I Michael Jensen support this bill to keep Oregon lands for the people.
