

Submitter: Heather Gray
On Behalf Of: farmers
Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: SB1586

I strongly oppose SB 1486, especially the rezoning of over a thousand acres of prime farmland into industrial or residential development would be a horror. As a farmer testified, these acres are a critical core of the "irreplaceable Sunset Soil Corridor of Class I and Class II Missoula Flood soils". We need food and other resources grown from this land.
