HB 4088

Declares this state's policy to protect engagement in certain activities relating to reproductive health care and gender-affirming treatment.

HB 4088

Please stop taking advantage of vulnerable children who have emotional problems. Our schools brainwash children K-12 with this BS. Sorry not nice. \$1 Billion was given to the Hawaii School Superintendent to shove the Common Core Curriculum down the throats of innocent children with all its gay porn. Money talks doesn't it even at the expense of children and grandchildren that may or may not be yours. I want to be nice as I am a Christian but this delusional bill is evil from its core. I never had such a choice when I was growing up and I don't expect any Oregon child K-12 to endure such evil legislation. Please absolutely no to HB 4088 and STOP the mutilation!

STOP HB 4088 Our kids don't need this ever.

Thank you!
