

Submitter: Robin Williams

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: HB4088

We have seen increasing attacks from the current federal administration on reproductive rights and LGBTQ+ health care. Because of this, patients are concerned for the continuity of their care, and healthcare professionals are fearful for their safety. This bill is critical in safeguarding patient privacy, protecting medical providers from mounting criminalization threats, and ensuring that all Oregonians can receive the health care they need without fear or discrimination.
