Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: HB4111

I urge you to vote yes on HB 4111. Providing immigration status in civil & labor disputes only serves to bias and intimidate a jury and witnesses. It's time for Oregon to find more ways to protect our residents and workers from out of control federal agents terrorizing and brutalizing people based on profiling & immigration status.

This bill is a safety measure and should be strongly supported by you and the entire legislature. Thank you for your time and energy serving Oregon.
