Measure, Appointment or Topic: HB4114

I strongly support HB 4114 and urge you to vote yes. This bill strengthens a basic constitutional right to privacy and due process. How can it be ok for any law enforcement officer to enter anyone's home without a judicial warrant? I commend the Oregon legislature for creating this bill to allow people to sue law enforcement agents for violating civil rights and terrorizing people in their homes. Thank you for your time and energy.
