On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: HB4088

I strongly support HB 4088 and urge you all to vote yes. This bill strengthens Oregon's protection of privacy and safeguards potential intimidation for people exercising their right to legal reproductive and gender affirming health care. It is outrageous that other States and individuals can try to impose their anti choice laws on Oregon and try to extradite healthcare providers and patients for exercising their right to legal health care in Oregon. Help keep us safe and vote yes. Thank you for your time and energy serving Oregon.
