Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SB1524

“I support SB 1524 because Oregon’s horse racing industry depends on this revenue to survive.”

“Please pass SB 1524 to protect race days, purses, and breeder/owner incentives in Oregon.”

“SB 1524 is essential to keeping Oregon’s horse racing industry viable for owners, breeders, and rural communities.”

“Without SB 1524, Oregon racing will face severe financial losses — I urge you to support this bill.”

“I am an Oregon horse owner/breeder and I strongly support SB 1524. With the loss of Greyhound wagering and the ADWs that rely on it, our industry is facing a major financial shortfall. This bill is necessary to keep racing alive in Oregon.”

“Please support SB 1524. The revenue it provides is critical for maintaining race days, purses, and incentives that keep Oregon’s horse racing industry functioning. Without it, the economic impact on rural communities and small businesses will be significant.”

“I urge you to pass SB 1524. Oregon’s racing industry is already operating on limited resources, and the loss of Greyhound wagering will make it even harder to sustain. This bill helps protect jobs, agriculture, and long-standing Oregon traditions.”
