On Behalf Of:

Committee: Senate Committee On Education

Measure, Appointment or Topic: HB4079

I support HB 4079 and urge you all to vote yes. We have all seen images of the terrorizing of children, parents and educators by out of control federal agents at schools, churches and health care facilities across the nation. It is vitally important for Oregon schools and universities to have clear policies and procedures for how to safely respond to protect the health and mental health of children, older students and educators when federal agents come onto campuses. Please vote yes. Thank you for your service to Oregon.
