

Submitter: B Tobias
On Behalf Of: BOUNDARIES AROUND AI IS GOOD
Committee: House Committee On Behavioral Health
Measure, Appointment or Topic: SB1546

There are several good safeguards built into this bill.

Requiring clear notice that users are interacting with Ai generated output and not real person

Mandates to detect suicidal ideating, self harm or other risks and refers to a crisis hotline

Warnings about suitability for minors, frequent break reminders, ban on sexually explicit content, prohibitions on manipulative tactics

Allows harmed users to sue for damages

Annual reporting on referrals to crisis resources
