IT IS NOT THE RESPONSIBILITY OR ASSIGNMENT FOR SCHOOLS TO TELL ANYONE WHAT TO DO ABOUT IMMIGRATION. Their job is supposed to be to teach students to read, write, do math, know American history, know some of the sciences, etc. it is NOT to brainwash students with a minority ideology which is federally illegal!

We choose to follow the laws of the USA, we are proud to live here and enjoy the freedoms we have and we will NOT let some school tell us how to respond to immigration issues and SHAME ON KOTEK AND THE DEMS FOR TRYING TO FORCE THEIR TWISTED OPINIONS ON ANYONE ELSE. We will NOT RESIST OUR FEDERAL AUTHORITIES, but we will assist them in any way we are asked to.
