On Behalf Of: Oregon TB Owners And Breeders Assoc.
Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: SB1524

As a current owner and breeder and the fact that I have been in the industry for many years, I know for a fact that many people depend on this industry to feed their families and put a roof over their heard. I personally have a daughter the makes her living in the horse racing industry. If Sb1524 does not pass there will be many people affected such as farmers who provide hay and grain. Also horse racing is a family affair and we spend many hours taking great care of these animals in hopes that they can reach their full potential.

Please I urge the committe to pass SB1524 to insure that horse racing survies.

Thanks you
Donna Yanik
